

STATE OF CONNECTICUT

BY HIS EXCELLENCY

NED LAMONT

EXECUTIVE ORDER NO. 7T

**PROTECTION OF PUBLIC HEALTH AND SAFETY DURING COVID-19 PANDEMIC
AND RESPONSE – SAFE LODGING, LIQUOR DELIVERY, ADDITIONAL
FLEXIBILITY FOR VICTIMS OF DOMESTIC VIOLENCE, OTHER MEASURES**

WHEREAS, on March 10, 2020, I issued a declaration of public health and civil preparedness emergencies, proclaiming a state of emergency throughout the State of Connecticut as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and confirmed spread in Connecticut; and

WHEREAS, pursuant to such declaration, I have issued seventeen (17) executive orders to suspend or modify statutes and to take other actions necessary to protect public health and safety and to mitigate the effects of the COVID-19 pandemic; and

WHEREAS, COVID-19 is a respiratory disease that spreads easily from person to person and may result in serious illness or death; and

WHEREAS, the World Health Organization has declared the COVID-19 outbreak a pandemic; and

WHEREAS, the risk of severe illness and death from COVID-19 appears to be higher for individuals who are 60 years of age or older and for those who have chronic health conditions; and

WHEREAS, to reduce the spread of COVID-19, the United States Centers for Disease Control and Prevention and the Connecticut Department of Public Health recommend implementation of community mitigation strategies to increase containment of the virus and to slow transmission of the virus, including cancellation of gatherings of ten people or more and social distancing in smaller gatherings; and

WHEREAS, it is imperative to take aggressive mitigation measures to slow the spread of COVID-19 within our State and region and one such measure, as reflected in my prior Executive Order Nos. 7H and 7J, restricting the operations of non-essential businesses, and the Domestic Travel Advisory recently issued by the Centers for Disease Control, is to ensure that people stay home and avoid unnecessary travel or temporary lodging for vacation or leisure purposes; and

WHEREAS, to encourage social distancing and protect public health and safety, my Executive Order Nos. 7D and 7G, closed bars and restaurants to all on-premise service of food and beverages; and

WHEREAS, home delivery of products by additional liquor permittees can reduce the need for customers to leave their homes and thereby increase the effectiveness of efforts to limit transmission of COVID-19, while allowing safe conduct of certain economic activity; and

WHEREAS, the Connecticut Recovery Bridge Loan Program is meant to provide timely financial assistance to small businesses affected by the COVID-19 pandemic through a streamlined and easily understandable application process that can be submitted with minimal delay; and

WHEREAS, the existing requirement for a notarized affidavit to certify compliance with certain nondiscrimination provisions of state law may introduce unnecessary delay to the application process and increase the risk of transmission of COVID-19 if an applicant is unable to complete the certification through remote notarization; and

WHEREAS, ongoing child care operations are necessary to support the essential workforce, and child care providers must be stabilized through the duration of the emergency to ensure the maintenance of an adequate child care infrastructure; and

WHEREAS, the Commissioner of Social Services seeks to increase rates paid to various providers, including nursing facilities, intermediate care facilities for the intellectually disabled and residential care homes, over the current rate in effect, by 10% in recognition of the extraordinary costs related to the COVID-19; and

WHEREAS, permitting such facilities and homes to obtain a rate rehearing and contest the increased rate would create a significant administrative burden on the Department of Social Services during a time where prioritization of time and resources is critical to protecting public health and safety; and

WHEREAS, in order to reduce administrative burdens and protect the state from increased costs beyond those necessary to pay the temporary rate increase, it is necessary to suspend providers' rights to appeal the overall magnitude and methodology temporary rate increases that are paid in response to COVID-19; and

WHEREAS, certain documents require the in-person services of a Notary Public or Commissioner of the Superior Court and such interactions should be avoided to the maximum extent possible in order to promote social distancing and the mitigation of the spread of the COVID-19; and

WHEREAS, attendance at public proceedings is likely to increase the risk of transmission of COVID-19; and

WHEREAS, in consultation with the Chief Court Administrator on behalf of the Chief Justice of the Supreme Court and the Judicial Branch, I have determined that there exists a compelling state interest that courts conduct only essential business in order to minimize the spread of COVID-19;
